

Advancing Exceptional Care

Dual Diagnosis Outpatient Clinic  
850 King Street West  
Kitchener, ON N2G 1E8  
Phone: 519-749-4300 ext. 3928  
Fax: 519-894-8308

### **Dual Diagnosis Outpatient Clinic Referral Checklist**

- DSO Involvement (Developmental Services of Ontario) letter or confirmation
- Name of Service Coordinator and Agency
- Most Recent Psychiatric Discharge Summary Attached (Inpatient or Outpatient)
- Genetic Results (if available)
- Dual Diagnosis Referral Form
- Psychological Assessment Report documenting an Intellectual Disability (i.e., Standardized Score on Wechsler or Stanford-Binet Intellectual Assessment Scales of a 70 or lower, as well as comparably low Adaptive functioning as assessed on standardized interview such as The Vinelands)
- Significant history of substance use, BPD, suicidality/self-harm, or psychosis – if yes, please provide additional information

Please note that this documentation is required before the patient's eligibility for the Dual Diagnosis can be determined. Privacy legislation, as well as limited clinic resources, prevent us from searching out and obtaining these documents ourselves. It is the responsibility of the referral source to provide all required documentation, including Psychological Assessment reports verifying intellectual disability and documenting severity, before eligibility can be determined.

Sincerely,  
Grand River Hospital Dual Diagnosis Clinic
