Grand River Hospital's COVID-19 Testing Centre

NEW
COVID-19 Testing Centre
15 Charles Street W
Kitchener, N2G 1H3
(Ontario and Charles Streets)

How to book your COVID test at Grand River Hospital's testing centre:

If you require a COVID test you must book an appointment. You can book a SAME DAY or next day appointment at our drive-thru test centre here: <https://covidtestregistration.grhosp.on.ca/>. If you are unable to leave your home for testing due to a medical condition, speak to your health care provider or call an assessment centre.

We are currently testing symptomatic individuals only. Please go to the Region of Waterloo Public Health website for more information about COVID-19 symptoms, and complete their self-assessment tool.

If you need assistance booking an appointment, if you are a GRH staff/physician and need an urgent same day appointment or if you are a local health care worker, please call 226-806-5690 and have your health card ready.

How to cancel your COVID test:

Please let us know if you need to cancel your COVID test at the GRH drive-thru centre. Please go to our website, or visit this link: <https://covidtestregistration.grhosp.on.ca/registration/cancellation>. This will enable us to offer the appointment to someone else.

How to access your COVID test results

1. Go to [Ontario.ca/covid19](https://ontario.ca/covid19)
2. Click on "Check your lab results" on the right side of the page.
3. Fill in the information required. You will need a valid (green) Ontario health card.
4. Select "Verify patient" and follow the instructions.
5. If you do not have a valid Ontario health card, let our staff know when you come for your test. They will give you instructions to help you access your results.
