**YOU CAN MAKE
A DIFFERENCE**

What is the Community Services Locator (CSL)?

- a nationwide directory supported by the Canadian Cancer Society (CCS) with over 4,000 services listed
- a tool designed to help people affected by cancer find support services in their community
- a way for health professionals to refer their patients to cancer-related programs and support services
- a place to find support, wigs and prostheses, financial help, places to stay and more

**Why
should
you add
your
service to
the CSL?**

- ✓ You can increase awareness and the reach of your organization's cancer-related support services.
- ✓ Cancer information specialists and healthcare professionals will be able to refer people living with cancer in your area to your services.
- ✓ You'll be contributing to a national directory of credible and up-to-date support services.
